OUR STORY

We began making our dream a reality in 2013 when we opened our food truck, Paco's Tacos. Since then, our customers have come to love our authentic and traditional recipes from Oaxaca, Mexico, where owner Paco is from. We always knew we wanted to expand and offer a larger variety of our Mexican traditions. At Paco's Market, you can find our delicious dishes, a selection of drinks and grocery, and a place where you can gather and enjoy with friends and family. We look forward to serving you and we thank you in advance for your trust and support!

WE ARE A SMALL AND MINORITY OWNED FAMILY BUSINESS!
